

Certificate in Early Years Foundation Stage Practice Level 3

This is a 3 Unit course designed to provide specific training in the use of the Early Years Foundation Stage Statutory Framework.

It will provide currency to those already working in child care at Level 3 who qualified prior to this framework or those returning to this occupational area after a break. It principally entails child assessment observations, profiling and planning.

Course Duration: 4-6 months

There are three mandatory units:

- Context and principles for early years
- Promoting children's learning and development in the early years
- Promoting children's welfare in the early years

Entry Requirements:

- Level 3 child care qualification
- Level 2 child care qualification and assessed as ready to progress to Level 3
- Proven performance in child care employment
- Currently employed in a child care setting

Funding:

Funding available through local county councils
